The Agents who are currently in the service whom Cohn's attorneys intend to subpoena are Roger Young (New York), Arthur J. Achenbach (New York), [REDACTED] (Resident Agent, Evansville, Indiana) and [REDACTED] (assigned to Indianapolis, presently in Memphis on a special assignment). In addition Cohn's attorneys indicated that they intend to subpoena former Special Agents Donald E. Joyce, [REDACTED] and [REDACTED].

Supervisor [REDACTED] stated that Assistant U. S. Attorney Gerald Walpin is initiating steps to have the subpoenas in question quashed. Walpin stated that he does not know the reason why the present and former Agents are to be subpoenaed nor what testimony they are expected to give.

ACTION:

alleged that in 1959 Roy Cohn and then Assistant U. S. Attorney Morton Robson, Southern District of New York (SDNY) were paid \$50,000 to control the indictment in the SEC case. An extensive Grand Jury probe conducted by U. S. Attorney Morgenthau did not develop corroboration of the bribe allegation. However, Cohn and Murray Gottesman, New York Attorney, were indicted 9/3/63, for perjury, conspiracy and obstruction of justice in connection with their testimony during the Grand Jury probe. Trial of Cohn and Gottesman began 6/9/64, SDNY. Previous trial ended 4/19/64, when Judge declared mistrial due to death of father of a juror.

GENERAL INVESTIGATIVE DIVISION

This is the case in which Roy Cohn and Murray Gottesman, also a New York Attorney, are currently on trial in U. S. District Court, Southern District of New York (SDNY). They were indicted 9/3/63, by Federal grand jury, SDNY, for Perjury, Conspiracy and Obstruction of Justice in connection with a grand jury probe conducted by U. S. Attorney Robert Morgenthau of alleged \$50,000 bribe in August, 1959, to Cohn and then Assistant U. S. Attorney Morton Robson to control indictment in a Securities and Exchange Commission case. The grand jury probe did not corroborate the bribe allegation but Cohn and Gottesman were indicted in connection with their testimony before the grand jury. Trial began 6/9/64.

USA ROBERT M. MORGENTHAU, SDNY, has requested that SA ARTHUR J. ACHENBACH be present at counsel table for new trial in this matter which is to commence 6/9/64. USA, SDNY, has presented this request because of the complicated nature of the investigation, the sizeable number of exhibits involved and anticipated requests for further investigation as the trial progresses.

In discussions regarding this request, it was pointed out to USA MORGENTHAU that it was felt SA ACHENBACH's presence at counsel table should be restricted to actual periods of testimony by witnesses concerning whom the Bureau has done extensive investigation and where a large number of exhibits exist relating to the particular witness. This would exclude SA ACHENBACH from spending unnecessary time at counsel table such as during reading of Grand Jury minutes or testimony of individuals concerning whom there are no Bureau exhibits.

As a result of these discussions, USA, SDNY, has requested SA ACHENBACH be at counsel table during testimony of the following:

- 1) SAM GARFIELD
- 2) HYMAN LEHRICH

USA also requested that SA ACHENBACH also be present during testimony of any defense witness whom the Bureau has investigated or interviewed. It should be noted that the eight witnesses enumerated above have been interviewed and investigated by the Bureau and a number of FD 302s concerning them were furnished to the defense during last trial.

In view of the above, it is recommended that USA MORGENTHAU's request for SA ACHENBACH to be present at counsel table be approved for limited periods set forth above.

AUSA GERALD WALPIN, SDNY, advised this date that on 6/2/64 Second Circuit Court of Appeals denied defense motions for writs of mandamus for severance of GOTTESMAN and continuance or change of venue in COHN trial.

AUSA WALPIN related that hearing was held this date before USDJ DUDLEY B. BONSALE, SDNY, on defense application to substitute attorney EMILE ZOLA BERMAN for FRANK RAICHLE as counsel for COHN in coming trial. BERMAN informed Judge BONSALE that in order to adequately prepare his defense of COHN he would need a postponement of the trial until 9/1/64.

AUSA WALPIN stated further that Judge BONSALE then denied the application and directed that RAICHLE and THOMAS BOLAN be present at USDC, SDNY, on 6/9/64 for start of trial of COHN.

This is to advise that retrial of Roy Cohn and Murray E. Gottesman, New York Attorney, is scheduled to begin 6/9/64 in U. S. District Court, Southern District of New York. Previous trial of Cohn and Gottesman ended on 4/19/64, in the fourth day of deliberation by the jury when the judge declared a mistrial due to the death of the father of a juror.

This is the case in which [REDACTED], alleged that in 1959 Cohn and then Assistant U. S. Attorney Morton Robson were paid \$50,000 to control the indictment in the SEC case. Considerable investigation was conducted by our New York Office pursuant to specific requests received from U. S. Attorney Robert Morgenthau who conducted an extensive Grand Jury probe of the alleged bribe.

The extensive investigation failed to obtain corroboration of the allegation of the bribe. However, on 9/3/63, the Federal Grand Jury returned an indictment charging Cohn and Gottesman with perjury, conspiracy and obstruction of justice in connection with their testimony before the Grand Jury.

The foregoing is for information. You will be advised of pertinent developments.

Mr. Nichols called and asked that I give you the following message:

Mr. Nichols said he was down to testify in the Roy Cohn case; that he followed the same line of testimony as in the previous case; that on cross-examination "this little SOB Walpin tried to get me to say that agents came to Schenleys last November for information and we refused to give it to them." Mr. Nichols stated this was not true and that Walpin then accused him of calling the Bureau and trying to stop the investigation. Mr. Nichols stated he called Walpin an unmitigated liar and "got a round of applause from the court room." Mr. Nichols said that he then elaborated and said that "following their visit up here and following reports I received from other places around town that Bureau Agents were coming out and inquiring as to fees and services rendered by Cohn, I held this highly improper and I called the Bureau as I knew it was contrary to Bureau policy unless instructed to do so by the Department or United States Attorney. After I called the Bureau I subsequently was informed that what the Bureau was doing, it was doing at the request of the United States Attorney."

Mr. Nichols said that knowing the propensities of this group (the United States Attorney) to garble the truth he did not want any reports to come down here before he could get the transcript of the testimony. He will send down the transcript as soon as he gets it.

Our New York Office has just telephonically advised that the trial of Roy Cohn and Murray Gottesman in U. S. District Court, Southern District of New York has resulted in the jury returning a verdict of not guilty on all counts in respect to both Cohn and Gottesman.

This is the case in which Cohn and Gottesman, New York attorney, were indicted 9/3/63, by Federal Grand Jury, Southern District of New York, for Perjury, Conspiracy and Obstruction of Justice in connection with a grand jury probe of alleged \$50,000 bribe in August, 1959, to Cohn and then Assistant U. The grand jury probe did not corroborate the bribe allegation but Cohn and Gottesman were indicted in connection with their testimony before the grand jury. Trial began 6/9/64.

July 10, 1964

Dear Mr. Hoover:

① On Thursday morning July 9, 1964, I testified in Roy Cohn's second trial to statements made by Bill Figazy to me, which were diametrically opposed to his testimony in the case, and I am enclosing a transcript of yesterday's testimony.

United States Attorney Gerald Walpin on cross-examination naturally attempted to undermine my testimony in which, of course, he did not succeed in doing. He made factual representations that were falsehoods, and I direct your attention to page 4594 of the testimony wherein he inquired as to whether it wasn't a fact that at Roy Cohn's request I contacted the FBI and requested a "halt" of the Bureau's investigation at Schenley. I replied by stating "That's an unmitigated lie." - which it was - Later on, in my testimony on page 4596 I elaborated on the incident.

The facts back of this are these: Bureau agents did come to Schenley and spoke with [redacted] requesting copies of cancelled checks covering payments to Roy Cohn for legal fees. The Internal Revenue was conducting an investigation on Mr. Cohn and we had given them all of our papers and, obviously, we could not comply on that day. I told [redacted] that we would furnish all information as soon as we could get it and that the checks in question were in the hands of the Internal Revenue, and the United States Attorney might get them there. Subsequently, the agent came back and stated that the United States Attorney did not want to get them from the Internal Revenue and, accordingly, when the Internal Revenue returned the data we promptly made them available to the Bureau.

Shortly after the first inquiry I heard that the Bureau agents were contacting other clients of Roy Cohn inquiring as to fees paid him, and requesting cancelled checks. This concerned me very much because I was fearful that another "steel pricing case" could arise wherein the Bureau would come under criticism and, accordingly, I called Mr. DeLoach and advised him of this, and also informed him that we had received word that Judge Dawson had requested the United States Attorney's Office to instruct the Treasury Department to stop making inquiries regarding Mr. Cohn until the trial was over.

b7c Subsequently, Tom Bolan of Roy Cohn's office sent me a memorandum of his conversation with Judge Dawson and I had [REDACTED] give it to the Bureau agents at the time they called here. I am sure that the Bureau agents reported this to the United States Attorney's Office, and Mr. Walpin was in possession of all the facts.

b7c So as the Bureau may have the full details, for its own information and not for reference to the department, I am enclosing copies of [REDACTED] memoranda to me, and letters that I sent to Tom Bolan. Also enclosed is a copy of Tom Bolan's letter to me advising of Judge Dawson's instructions to the United States Attorney's Office.

With best wishes and kind regards.

Sincerely,

Roy Cohn called me from New York on 7/21/64 and stated that he was elated as to the outcome of his trial. He mentioned that the purpose of his call was to let the FBI know of his opinion that our Agents, who had testified for both the prosecution and defense, had handled themselves in complete fairness and candor. He stated the Agents had "gone right down the middle" in testifying factually and fairly. Cohn added that what impressed him the most was the fact that when some of our Agents were subpoenaed by the defense they handled themselves in the same fair and honest manner in which they had testified for the prosecution. He pointed out that this was one of the principal factors that had made the FBI great. He stated he was very appreciative and would like very much for the Director to know of his opinion.

In connection with the current publicity concerning the mail cover placed on Roy Cohn in connection with his recent bribery difficulties, the following is set forth for your information.

Although we extensively investigated Roy Cohn in connection with alleged \$50,000 bribe to fix an SEC Matter, we did not place a mail cover. The mail cover which was placed on Cohn was placed by the USA's Office for the Southern District of New York. This action subjected that office to severe criticism from the judge who heard the matter, Archie Dawson. The newspapers, in typical fashion, picked up the hue & cry and accused the Government of unethical and unconstitutional techniques.

The foregoing is submitted for your information. It is noted that in addition to the afore-mentioned mail cover, the Internal Revenue Service admitted that it also placed mail covers on Cohn and Thomas Bolan, Cohn's attorney, in 1963 in connection with one of its investigations.
